SUCCESS STORIES

Every shelter adoption is a success story, but there are a few that linger in our memories just a little bit longer. Whether it was the way they touched our hearts by achieving monumental behavioral goals, the circumstances that they came to us, or by finding that special someone that opened up their homes for a long-timer. We would like to share a couple of those adoptions with you.

Chuco - Chuco spent 257 days here with us at the HSCAZ. Chuco found his forever family and we are over the moon about it. He now enjoys spending time curled up on someone's lap and getting constant affection, some may say he is 100% spoiled and we are more than okay with that.

Axel practicing for a new life in a home.

Axel - After 255 days with HSCAZ, Axel has found a great forever home. He now spends his time lounging in his yard enjoying a well deserved lifestyle.

Donations to HSCAZ help make sure every animal finds a home, no matter how long it takes.

LOW COST SPAY AND NEUTER

The loss of Dr. Davis with Payson Pet Care and Dr. Berglund with Happy Tails Mobile Vet has been felt across Payson. Their departure has left Gila County without low-cost veterinarian and spay/neuter options.

Dr. Davis had performed 358 spay and neuters for low-income families at HSCAZ. Dr. Berglund had helped countless families by providing a low-cost veterinarian care. The only low-cost veterinarian options now reside outside of Gila County.

Until there is a solution, here are just a few of your low-cost spay/neuter options.

PREPARING FOR DISASTER

Living in high-country, we all know that disaster can strike at any time. There is no better time than today to prepare yourself for the unknown.

While making a "go" bag for yourself, make sure to include any furry friends you may have. Your pet's "go" bag should include:

- Identification and proof of vaccinations
- A several day supply of food and water
- All medications

For a complete list please visit our website, www.humanesocietycentralaz.org.

As always, we are here for you and your pets during evacuations.

DONATIONS

Material donations in the form of old sheets, towels, pillowcases, and blankets are needed and accepted year round. As the weather turns colder, thicker blankets would also help our canine friends stay warm and cozy.

Our lobby is open Tuesday - Saturday from 10:00am - 3:00pm for donation drop off. Also, you may drop them off Monday - Sunday from 8:00am - 4:00pm on the West side of our building, just ring the doorbell for assistance.

Monetary donations are always accepted in the form of cash, credit card, or checks.

AZ PET PLATES

HSCAZ is a proud recipient of funding from Arizona Pet Plates! Last year, AZ Pet Plates paid for 132 shelter animals to be spayed/neutered. Help us battle pet homelessness, while showing you care, by getting your Pet Friendly license plate today at servicearizona.com.
